33	More relevant CPE. Topics include: case studies in business process reengineering, performance management, performance-based budgeting, lean, etc. The theory is nice, but it is much more useful to see successful government applications. I suggest you get someone from Virginia Mason to come tell their story of transforming health care. It's impressive. But, if you do, ensure you get a crowd out for it. They shouldn't be wasting their time on 20 people.	Aug 1, 2011 11:15 AM
34	Currently find the training notices of use.	Aug 1, 2011 11:12 AM

3	this is a good survey and I applaud your efforts. As I no longer live in the area, just keep the dues coming your way for old time sake. Thanks	Aug 11, 2011 7:38 PM

5	You already heard me say twice earlier in the survey but here it is again: I need longer classes. The best might be a 6 to 8 hour class on technical/audit/accounting/budget subjects that starts in the 8 to 10am range and goes all day. That'd make the trip down from the Kitsap County area more worthwhile to my employer and justify the time away from the office.	Aug 11, 2011 2:21 PM
6	I think that this organization is doing a wonderful job	Aug 11, 2011 2:17 PM

13	I like the CPE. I hope AGA offers a Washington Board of Accountancy certified Ethics class this year.	Aug 2, 2011 1:09 AM
14	At this point in my life, I am just so extremely busy with job demands and family demands, it is hard to find any extra time to get involved; but I appreciate the efforts of those who do, and I would someday like to become more involved when my time frees up. Keep up the training opportunities--they're great! And thank you!	Aug 1, 2011 3:26 PM

17	I really appreciate the work done by the leadership of the Olympia Chapter and am glad there are people willing to assume leadership roles. I am bothered that I'm unwilling to assume a greater role in providing leadership to the organization. However, I do try to be supportive of actions taken by the local chapter to hopefully make the work done by the leadership be less burdensome. And I expect that within the next year I will be retired anyway.	Aug 1, 2011 2:04 PM
18	Audio training has been overused by the AGA. I prefer speaker interaction combined with luncheons.	Aug 1, 2011 11:50 AM
19	I miss the all day conferences AGA used to sponsor. I found them to provide a good variety of information and also be a better avenue for networking than the luncheons I've attended.	Aug 1, 2011 11:24 AM
